Dear Mr. Yanitski:

RE: Sphag Sorb

This is in response to your letter concerning the acceptance for use of the subject product in food processing establishments.

Based on information submitted, we can advise that we see *no reason to object* to the use of the subject product in food plants provided that:

- a) there will be no contamination of food as a result of its use and storage; and
- b) its use in **restricted only to non-food processing areas** in the plant.

Regarding the label of the subject product, we recommend the following statements to be added on the label:

- A cautionary statements as a) and b0 above
- A food plant use statement such as ‘for food plant and Other Industrial Use Only’

We trust that the foregoing will be of use to you.

Yours truly,

Elena Emelianova
